

Dog Killing Wave Spreads To Torrance

The wave of dog poisoning, which started in Waverly two weeks ago, has spread to Torrance proper, according to word received this week from Ralph Blunk, of the South Bay Humane Society.

Within the past two weeks, eight pets were reported poisoned in Waverly; two in Torrance.

Although steps have been taken designed to eventually lead to the arrest of the poisoner, Torrance Police Chief John Stroh admitted yesterday that a definite lead had not yet been uncovered.

When arrested, the dog poisoner will face humane society charges and a misdemeanor count, Chief Stroh pointed out.

Registration Dates Set For El Camino College

Fall registration and examination plans for admission to El Camino College were announced early this week by H. J. Sheffield, director of student personnel.

Registration will be held between the hours of 8 a.m. and 8 p.m. on September 12, 13, and 14 in accordance with the following schedule:

Surnames beginning S through Z, Sept. 12, 8 a.m. to 1 p.m.; surnames beginning H through R, Sept. 12, 1 p.m. to 8 p.m.; surnames beginning A through G, Sept. 13, 8 a.m. to 1 p.m.

New students attending El Camino for the first time register as follows:

Surnames beginning S through Z, Sept. 13, 1 p.m. to 8 p.m.; surnames beginning H through R, Sept. 14, 8 a.m. to 1 p.m.; surnames beginning A through G, Sept. 14, 1 p.m. to 8 p.m.

Students who are unable to register during their scheduled date may register at any time following their assigned period. Veterans who will attend El Camino under Public Law 346 or Public Law 16 will be given an opportunity to register early on September 8 between 1 and 8 p.m.

Sheffield pointed out that this service to veterans provides for completion and forwarding of necessary veterans forms to the Veterans Administration ahead of similar forms of other colleges.

This plan which had been followed in other semesters at El Camino has resulted in veterans obtaining their checks well ahead of students attending other colleges with a similar beginning date.

The English placement test, which is required of all regular students who have not previously completed a college English course, will be held beginning at 9 a.m., 1 p.m., and 6 p.m. on September 5. The English placement and other tests taken on this date will require approximately four hours. Students who fail to qualify on this test will be required to register in English A.

Western Ave. Pipe Job 'On Schedule'

A \$30,000 pipe re-laying job, necessary before the cut-through of Western Avenue can be started, is proceeding on schedule, workers of the Hood Construction Co. revealed yesterday. The project is scheduled for completion within two weeks.

More than 1000 feet of gas line and an equal amount of oil pipe is being submerged to a level about 14 feet below the proposed road bed. The 100's share of activity yesterday centered near the Western Avenue-East road intersection where a pipe line junction was being welded.

Owned by the General Petroleum Corp., the lines formerly were placed on the surface or near-surface level.
